

## **Actively participated in the work of Election**

In the democracy the active participation of the peoples, in election is very important and the voters should vote without fail to sustain the true democracy in any country. By realizing the importance of election, the faculties of Karmaveer Bhausahab Hiray Law College, Malegaon have participated in election work relation to Lok Sabha General Election 2024. The Principal, Vice-Principal and all the full time faculties have actively attended the training sessions organized by the concerned officials of Election Commission. Thereafter, the staffs of the college have successfully performed the duties of presiding officer, polling officer no.1, 2, 3 etc. Apart from this, the staffs of the college also take active participation in the state level general elections of legislative assembly and legislative council every time. In the college, the Election Club is established to bring the awareness among the people about the elections, to realize the importance of voting in election process etc. Moreover, the college has conducted activities regarding the voter awareness about the election.
